NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 115

Payment for the maintenance of design for another five year period, in particular for:

- 1) the first design **12.220**
- 2) the second and each subsequent design from the series **8.550**

Annual fee is paid for the maintenance of design from the sixth to the twenty-fifth, in particular for:

- 1) the first design **7.330**
- 2) the second and each subsequent design **4.890**

NOTE:

Payment of the maintenance fee from this tariff number is due before the beginning of the year in which the subsequent period of protection begins, and at the latest six months before the lapse of the period covered by the previous fee.

If the annual fee referred to in the item 1 of this note is not paid up to the beginning of the year when the subsequent period of protection begins, and it is paid in the amount increased by 50% from the fee prescribed in this tariff number and within six months from the date of the lapse of the specified period.

If a design application is filed by a natural person, the amount of the above charges shall be reduced by 50% of the appropriate fee stipulated in this tariff number.

Tariff no. 119

Payment for certificates, excerpts from the register and certificates containing data on intellectual property rights being the subject of record of official registration **1.220**

Payment for a copy of a decision on the grant by the body competent for intellectual property matters **1.220**

Payment for certificates on internationally registered trademarks, design, being the subject of record of official registration with the body competent for intellectually property matters **3.050**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 120

Certificate on the right of priority granted to the application filed for an industrial property, in particular for:

- 1) the first certificate with up to ten pages **1.460**
- 2) each subsequent certificate to the same applicant with up to ten pages **370**
- 3) each subsequent page exceeding the tenth page **30**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 121

Payment for the request for the reestablishment of the rights in the procedure before the body competent for intellectual property matters **3.050**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 122

Payment for a request for extension of time limit before the body competent for intellectual property matters, in particular for:

- 1) the first request up to 30 days **1.220**
- 2) each subsequent request for each started month of the extension of time limit **1.830**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 123

For a certificate on the grant of industrial property right **2.450**

For a copy of the certificate on the grant of intellectual property right **1.220**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 124

Payment for the request for invalidation of a decision on the grant of design right, in

particular:

- 1) decisions on the grant of one design right **24.440**
- 2) decisions on (on the grounds of multiple application) the grant of two or more designs, apart from the fee stipulated in item 1) of this paragraph, for the second and each subsequent design **2.450**

NOTE:

Payment of the above charges shall be reduced by an amount of 50% for an application for a patent, petty patent, topography of integrated circuit, design filed by a natural person.

Tariff no. 125

Payment for a decision made upon a request for entry of the assignment rights, license, security, franchises or other trademark rights, and any right derived from a trademark application, design application, in particular:

- 1) if the request refers to one trademark, application, or design **3.670**
