

Quick guide on how to register for IGF 2021

To participate in IGF 2021, stakeholders can register to participate (i) online or (ii) in-person in Katowice.

There are two main steps to take, depending if you plan to come to Katowice for the 16th IGF (6-10 December 2021) or only participate online.

Register on the IGF website

1. Log into the IGF website, or alternatively sign up if you have not done so already <https://www.intgovforum.org/en/user/login>
2. Go to the registration page <https://www.intgovforum.org/en/content/igf-2021-registration>
3. Complete the form it will open for you. Toward the end of the form, there are three check-box questions. ***The following question should only be checked if you plan to come to Katowice in-person:**
 - ✓ [I intend to attend onsite in Katowice, Poland \(badge generation becomes required\)](#)
4. Click on **'Register'** located at the end of the form
5. If successfully submitted, a notification will appear on your screen:
 - ✓ *"Thank you for registering for IGF 2021. Please check your inbox for email notification."*
6. Check your inbox for an email with the subject line:
 - ✓ *"Registration for IGF 2021"*. That email contains the link to IGF 2021 page which will be made available soon.
Tip: You do not need to revisit this email to access the IGF 2021 page. The link will be made available at the IGF website homepage and you will be informed about it through the IGF newsletter that the platform is ready for use. If you log into the IGF website, you will be able to access the platform.

I intend to attend onsite in Katowice, Poland (badge generation becomes required)

I keep informed by receiving the IGF 2021 related announcements (subscription need confirmed through a received personal link and unsubscription is possible at any time)

First time attending IGF meeting.

I agree to adhere to the IGF 2021 Guidelines for Participation, UN-IGF Code of Conduct Information on Safety.

Register

This is where the process ends if you plan to participate fully online.

***If you plan to come to Katowice, which means you have checked the following question referenced above under step 3.**
