

**Reg. no. 12**

**APPELLATION OF ORIGIN**

**Sheep cheese from Homolje**

**Description:**

Sheep cheese from Homolje is of a shape of a cube, having dimensions 10x10x7 cm and mass of around 800 to 1000 gr. The bark is nor visible, the surface is flat with the imprint of the colander and the mass is compact. The cheese is conspicuously white in color. The taste is moderately milky salty and sour and piquant and the smell is pleasant, characteristic for the sheep cheese.

**Geographical area:**

District of Branicevo, municipality Zagubica in the mountains of Homolje.
