

**Reg. no. 64**

**APPELLATION OF ORIGIN**

**Cheese from Zlatar**

**Description:**

Cheese from Zlatar is soft half fat cheese in the brine of cow milk. The piece of cheese has regular rectangular shape of the dimensions 10-12 cm x 10-12 cm or it has the shape of a round cut of the same dimensions. The height of the piece is 1cm to 1.5 cm. The smell is mild milky and sour without foreign and unpleasant smells. The cheese from Zlatar has clearly expressed pleasant taste of fermented cheese, not too salty or sour, without bitterness, of the pleasant aroma when chewing that lasts long.

**Geographical area:**

Cheese from Zlatar is produced exclusively on the territory of the mountain of Zlatar in the municipalities of towns of Nova Varos, Prijepolje and on the small part of the municipality of Sjenica.
